HELMET STANDARDS

At all NARC events, protective headgear must conform with one of the currently approved safety standards to comply with Equestrian Australia regulations.

- Current Australian standard AS/NZS 3838 (2006 onwards) provided they are SAI Global marked.
- New Australian standard ARB HS 2012 provided they are SAI Global marked
- Current American standard ASTM F1163 (2004a or 04a onwards) provided they are SEI marked
- Current American standard SNELL E2001
- Current British standard PAS 015 (1998 or 2011) provided they are BSI Kitemarked
- Interim European Standard VG1 (01.040: 2014-12) with or without BSI Kitemark

Helmet Manufacturers generally recommend replacing your helmet every 5 years or so.

If you have a hard-blow impact accident while wearing your helmet, it is recommended to immediately replace it for a new model. There may be damage to the helmet that is not visible to the naked eye

EQUESTRIAN AUSTRALIA CONCUSSION PROTOCOLS

Implementation for all Disciplines from 1 July 2019 – Reference Equestrian Australia Website

There is a growing concern in Australia and internationally about incidence of sport-related concussion & potential health ramifications for athletes at all levels of sport.

Equestrian Australia fully endorses the Concussion in Sport Australia Position Statement, which can be located at https://www.sportaus.gov.au/ais/position_statements#concussion

Consistent with its support for the Concussion in Sport Australia Position Statement, Equestrian Australia will introduce a similar protocol for all equestrian disciplines effective July 1 2019.

To assist with the introduction of these protocols, Equestrian Australia is undertaking education and communication programs for all stakeholders including athletes, officials, coaches, parents and guardians.

As a part of this, we wish to provide all athletes/parents, coaches and officials access to the PDF version of a presentation which may be seen presented at future events, highlighting:

- the key points of the protocols,
- the OC & Officials' role in implementing the protocol,
- how to recognise concussion and
- the importance of possible concussion received in training being just as serious as concussion received in competition.

The PDF documents are available at www.equestrian.org.au
