MONTHLY RALLIES

November Rally

Birralee Pony Club Grounds, Glengarry

- Flat Lesson – Marisa Hall
- Flat Lesson – TBA
- Settling In – David Quinn

Availability of instructors is subject to change without notice

Morning Session will consist of 2 ridden lessons

We are planning a fun Christmas Themed morning. Learning something is optional, today is all about fun and celebrating the end of another year spent with our horses.

Afternoon Session

Ridden Lesson

Settling In Class

Our regular settling-in class will be conducted separately to the morning session and participants are welcome to join in either of the afternoon classes as well. Suitable for horses and/or riders not ready to join a larger group or may want to do in hand work before riding later in the lesson.

If you require more information on our Settling In class or how the format will work, please contact Norma Cormican Ph: 0412 845 375

December

No Rally

December Trail Ride

A Members Only Trail Ride is planned for Saturday 30th December in the Cluan Tiers area.

Your membership number must be entered in the Promotional Code field.

Members will be advised via email as soon as details are available.

Ride out at 10.00.

Lunch will be back at the floats. No dogs.

The trail ride will include gravel road and bush tracks (unshod horses may require boots).

Sunscreen for riders is recommended.

Please remember to have your membership number ready when you book on the website.

February Rally

Annual Camp at Harveydale

Lots of fabulous things to do at our camp, watch this space and on facebook.

PLAY DAYS

NARC hold Play Days for current members at Westbury. The focus will be obstacles and desensitization. Dates are announced via the NARC Facebook page and will include midweek and weekends.

This is planned as a fun and relaxed outing for members to bring horses of any skill level. Young or even retired horses are welcome. Ridden or unriden, it is an outing to spend in the company of your equine and club friends.

There is no formal instructor, rather two club committee members will be present to brief the attendees. The first hour will not be under saddle and the second hour is optional to be ridden.

Cost is \$10 for two hours 10am to 12pm. Please book and pay via the NARC website to ensure the day goes ahead.

Please be there by 9.30 to help set up equipment and help to dismantle is required.

Bring a packed lunch to enjoy after the activities. Check the club Facebook page on the morning of the date for cancellation if the weather looks questionable. Approved safety helmet and appropriate riding boots need to be worn.

CONCUSSION POLICY

In line with Equestrian Australia recommendations, at all NARC events the Concussion Recognition Tool 5 © will be used to screen all individuals who have potentially sustained a concussion.

If concussion is suspected, then the rider must not remount their horse or drive home. Their emergency contact will be contacted by the club to ensure their safety.

Further details are available on the Equestrian Australia website.

NAN CATMUR

Obstacle Instruction, Building Partnerships and Confidence Lessons at Nan's Riding School, Longford

*Private one on one lessons, or Group lessons available (Max 4 people)

These Lessons will help riders prepare their horses for success in Obstacle Work. In these sessions we will break down the basics required for manoeuvring your horse efficiently through a course of diverse obstacle challenges. We will be covering turning movements, effective desensitising strategies, timing and approach and retreat strategies for building confidence and a strong partnership with your horse. We will make sure you and your horse are on the same page.

For Private Bookings Contact Nan on 0428 578 779 or email: nansridingschool@gmail.com

HELMET STANDARDS

At all NARC events, protective headgear must conform with one of the currently approved safety standards to comply with Equestrian Australia regulations.

- Current Australian standard AS/NZS 3838 (2006 onwards) provided they are SAI Global marked.
- New Australian standard ARB HS 2012 provided they are SAI Global marked
- Current American standard ASTM F1163 (2004a or 04a onwards) provided they are SEI marked
- Current American standard SNELL E2001
- Current British standard PAS 015 (1998 or 2011) provided they are BSI Kitemarked
- Interim European Standard VG1 (01.040: 2014-12) with or without BSI Kitemark

Helmet Manufacturers generally recommend replacing your helmet every 5 years or so.

If you have a hard-blow impact accident while wearing your helmet, it is recommended to immediately replace it for a new model. There may be damage to the helmet that is not visible to the naked eye
