RALLY REPORT

March Rally

Lel Rainbird

After 16 long months off for numerous personal reasons, the main one being a huge loss of confidence, I finally rode my beautiful boy Cruze, after plucking up the courage to join the Northern Adult Riding Club. It's something I've wanted to for while now, and I'm happy to say I'm so glad I did.

After arriving at Edinburgh park grounds on the 31st March, I joined the Settling In class under the guidance of Di Colebrook with 3 other riders. Although initially I was very nervous and not knowing what to expect, I soon learnt from the very calm and relaxed atmosphere, that I had nothing to worry about! Everyone was so lovely. First of all we worked in hand with our horses until both us and the horses were settled and confident and before I knew it, I was riding my pony!. I can't wait for the next one, as this was a real confidence booster for me and my horse!

Kristin Pitt used the sand arena for the flat lesson while Carol Hobson made use of the great cross country jumps for her groups. Raylene Garwood had everyone challenging their mounts with several agility obstacles including some of the natural obstacles rider might find on a bush ride.

Thank you also to David Bartley for a great informative talk after lunch on hoof issues, what can go wrong and just how important good hoof care is. The saying is quite true - no hoof, no horse
