MONTHLY RALLIES

July Rally

Longford Indoor

- Flat Lesson – Merindah Thompson
- Flat Lesson – Mattea Kersnovski
- Settling In – David Quinn

Availability of instructors is subject to change without notice

We love having Merindah at Camp every year so now is the opportunity to have her share her immense knowledge at a full rally. The morning session will be a mainly flat lesson with an introduction to pole work. The afternoon session is Poles with Purpose, a fun session good for improving balance, control and steering. It also requires precision, so it can help to refine your aids (and your horse's reaction to those aids), which benefits everyday riding. It also provides versatility and mental stimulation for horse and rider along with building trust and confidence in the partnership.

Mattea Kersnovski is a capable equestrian and young horse specialist. She is working up the coaching ladder and is keen to show us how methods of training a young horse will help us with the ongoing education of our older horses.

Morning Session will consist of 2 ridden lessons

Afternoon Session

Ridden Lesson

Settling In Class

Our regular settling-in class will be conducted separately to the morning session and participants are welcome to join in either of the afternoon classes as well. Suitable for horses and/or riders not ready to join a larger group or may want to do in hand work before riding later in the lesson.

If you require more information on our Settling In class or how the format will work, please contact Norma Cormican Ph: 0412 845 375

PLAY DAYS

NARC are holding Play Days for current members at Westbury. The focus will be obstacles and desensitization. Dates are announced via the NARC Facebook page and will include midweek and weekends.

This is planned as a fun and relaxed outing for members to bring horses of any skill level. Young or even retired horses are welcome. Ridden or unriden, it is an outing to spend in the company of your equine and club friends.

There is no formal instructor, rather two club committee members will be present to brief the attendees. The first hour will not be under saddle and the second hour is optional to be ridden.

Cost is \$10 for two hours 10am to 12pm. Please book and pay via the NARC website to ensure the day goes ahead.

Please be there by 9.30 to help set up equipment and help to dismantle is required.

Bring a packed lunch to enjoy after the activities. Check the club Facebook page on the morning of the date for cancellation if the weather looks questionable. Approved safety helmet and appropriate riding boots need to be worn.
