26th Annual Navigation Ride

Sunday 11th June 2023

At "Harveydale", Birralee

Prizes worth over \$3,200 on offer!

The ride will be held over a marked course, between 10 and 20 km in length, Winners are those entrants with the highest points for completing the course closest to the optimum (not the fastest) time, with bonus points earned for treasure hunt items and the completed quiz sheet. The optimum time is calculated based on a horse's average speed, at various paces, required to cover the distance, with time allowances built in for the refreshment stop and working out clues. Great prizes will be available in each class, with ribbons awarded to fourth place.
