OCTOBER RALLY

Valmont Farms

Jenna Sommerville

What a stunning day at Valmont Farms for our October Rally! After weeks of windy weather it was a perfectly still and sunny day and such a picturesque setting at Whitemore. Thanks to Kieran and India Woods for the use of their facilities.

Judy Kilby laid out a small course on the arena with a combination of poles before moving on to small jumps for those wanting to jump. The second group in the morning made their way over and through the obstacles on the fabulous Mountain Trail course ably guided by Mattea Kersnovski. It was great to see horses and riders gaining confidence with the obstacles using subtle queues.

Our master of the Settling In group, David Quinn had his riders quietly working on the arena before having a try on some of the Mountain Trail obstacles. David has recently returned from Victoria where he was awarded the Miss Kay Irving Coach of the Year with Pony Club Australia. We are so lucky to have David regularly share his knowledge with our Settling In group.

Whilst it was tempting to lay back and soak up the sunshine for the afternoon, 8 riders saddled up again after lunch. Some heading back to the arena for a flat lesson with Mattea and others to the mountain trail where Judy explained the intricacies of what the judges look for in a competition. Riders then went through each obstacle whilst being scored.

Thank you to all those who helped set up and pack up the equipment and cleaned up both arenas. Thanks also to our wonderful coaches.

MEMBERSHIP

Annual Membership subscriptions are payable on 1 September.

Please renew your membership via the website prior to 31 October, 2025 to retain member privileges.

PLAY DAYS

NARC hold Play Days for current members at Westbury. The focus will be obstacles and desensitization. Dates are announced via the NARC Facebook page and will include midweek and weekends.

This is planned as a fun and relaxed outing for members to bring horses of any skill level. Young or even retired horses are welcome. Ridden or unriden, it is an outing to spend in the company of your equine and club friends.

Only one horse per person.

There is no formal instructor, rather two club committee members will be present to brief the attendees. The first hour will not be under saddle and the second hour is optional to be ridden.

Cost is \$10 for two hours usually 10am to 12pm. Please book and pay via the NARC website to ensure the day goes ahead.

Please be there by 9.30 to help set up equipment and help to dismantle is required.

Bring a packed lunch to enjoy after the activities. Check the club Facebook page by 8.00am on the day for cancellation notice if the weather looks questionable. Approved safety helmet and appropriate riding boots need to be worn.

WORKING WITH VULNERABLE PEOPLE REGISTRATION

The Tasmanian Government has announced it will be removing the cost of registering for a Working with Vulnerable People (WWVP) card.

This is a big win for sporting and community clubs across the state and follows a joint advocacy letter submitted earlier this month by Clubs Tasmania and Volunteering Tasmania, urging the government to scrap the \$22.44 volunteer registration fee.

This fee had become an unnecessary barrier to volunteering in a time of rising living costs and increasing regulation. Many other states do not charge volunteers a fee for an equivalent registration, while Tasmania's fee is also the highest.

This follows reports from clubs all over the state, from small football teams, bowls clubs and netball committees, about how this cost was deterring volunteers or stretching already limited club budgets. By raising this issue with Volunteering Tasmania and co-signing the call for action, ETas helped drive the momentum that led to this change.

While initially a two-year pilot, ETas hopes it will become permanent in future years.

NAN CATMUR

Obstacle Instruction, Building Partnerships and Confidence Lessons at Nan's Riding School, Longford

*Private one on one lessons, or Group lessons available (Max 4 people)

These Lessons will help riders prepare their horses for success in Obstacle Work. In these sessions we will break down the basics required for manoeuvring your horse efficiently through a course of diverse obstacle challenges. We will be covering turning movements, effective desensitising strategies, timing and approach and retreat strategies for building confidence and a strong partnership with your horse. We will make sure you and your horse are on the same page.

For Private Bookings Contact Nan on 0428 578 779 or email: nansridingschool@gmail.com

CONCUSSION POLICY

In line with Equestrian Australia recommendations, at all NARC events the Concussion Recognition Tool 5 ® will be used to screen all individuals who have potentially sustained a concussion.

It is NARC policy that following any fall at a NARC event is managed in accordance with the Equestrian Australia concussion guidelines and Incident Reporting. You will be asked to acknowledge and adhere to these guidelines when you book for an event.

If concussion is suspected, then the rider must not remount their horse or drive home. Their emergency contact will be contacted by the club to ensure their safety.

Further details are available on the Equestrian Australia website www.equestrian.org.au.

HELMET STANDARDS

At all NARC events, protective headgear must conform with one of the currently approved safety standards to comply with Equestrian Australia regulations.

- Current Australian standard AS/NZS 3838 (2006 onwards) provided they are SAI Global marked.
- New Australian standard ARB HS 2012 provided they are SAI Global marked
- Current American standard ASTM F1163 (2004a or 04a onwards) provided they are SEI marked
- Current American standard SNELL E2001
- Current British standard PAS 015 (1998 or 2011) provided they are BSI Kitemarked
- Interim European Standard VG1 (01.040: 2014-12) with or without BSI Kitemark

Helmet Manufacturers generally recommend replacing your helmet every 5 years or so.

If you have a hard-blow impact accident while wearing your helmet, it is recommended to immediately replace it for a new model. There may be damage to the helmet that is not visible to the naked eye

Meander Valley Feed Barn (Ray & Laura Becker) are proud to sponsor Northern Adult Riding Club. With every purchase of feed (horse, dog, poultry) instore by NARC members and friends, Meander Valley Feed Barn will contribute 3% of the cost to NARC. At the time of purchase, please advise you are a NARC member or friend so the club can benefit. The more people who take advantage of this, the more sponsorship support is passed on to NARC.
